

Ironie (Rhythm Guitar) -- Alanis Morissette

From *Jagged Little Pill* (1995). About 116 BPM, est.

Quiet, acoustic-led verses that slam into a big, distorted mid-90s alt-rock chorus.

On a Strat, CTL off plays the verse role as a clean, compressed acoustic stand-in. CTL on is the featured electric sound: the distorted chorus wall and any lead lines.

Built from the song's overall sound. I haven't verified the exact guitars and amps on the record.

Instrument: Stratocaster (HSS). Neck or position 4 for the verses. Bridge humbucker for the chorus.

GP-5 only, Stratocaster (HSS), no pedalboard.

AMP: Foxy 30TB (AC30 Top Boost) + CAB: V30112 IR (User IR 10)

An AC30 Top Boost set clean stays chimey and acoustic-ish for the verses. It takes a Rat for the 90s alt-rock chorus wall.

V30112 is the loaded guitar cab with enough upper-mid bark for a crunch tone. EVM112 would thin out once the amp breaks up.

Module chain

NR -- Gate, always on.

THRE: 25.

The Rat is noisy. 25 cleans up the chorus stops.

PRE -- COMP (Ross), always on.

Sustain: 38, VOL: 55.

Compression gives the verse strum an even, acoustic-like pop.

DST -- Darktale (ProCo Rat), on CTL.

Gain: 55, Filter: 45, VOL: 62.

A ProCo Rat, the quintessential 90s alt-rock distortion. Gain 55 is thick and fuzzy-edged.

AMP -- Foxy 30TB, always on.

Gain: 28, Tone Cut: 45, VOL: 60, Bass: 48, Treble: 58, Char: Cool.

Gain 28 is clean and chimey. Char Cool.

CAB -- User IR 10 (V30112), always on.

VOL: 60.

EQ -- Guitar EQ 2, always on.

100Hz: -3, 500Hz: -1, 1kHz: 0, 3kHz: +2, 6kHz: 0, VOL: 50.

A low cut, a slight 500Hz dip for less box, and 3kHz air for acoustic-like sparkle on the verses.

MOD -- off.

DLY -- off.

RVB -- Room, on CTL.

Mix: 14, Decay: 30, Trail: on.

A small room fills out the chorus wall.

CTL footswitch

On CTL: DST (Darktale), RVB (Room).

- **CTL off** -- Verses. A clean, compressed, chimey strum standing in for the acoustic. This is the resting state the patch loads into.

- **CTL on** -- Chorus and lead. The Rat distortion wall with a small room, for the choruses and any lead lines.

Stomp CTL at each "It's like rain on your wedding day" chorus. Off for the verses.
