

If You See Her -- Brooks & Dunn

"If You See Him/If You See Her" (1998), the duet with Reba McEntire. About 70 BPM, est.

Bass: Harley Benton P/J, 5-string, passive. GP-5 only.

A polished power ballad. Smooth whole and half notes, warm but clearer than a vintage thump, lifting with the chorus.

Built from the song's overall sound. I haven't verified the session bassist's exact rig.

Fingers. P forward with a little J. Tone knob around 50%.

Module chain

NR -- Gate, always on.

THRE: 10.

Barely there.

PRE -- COMP (Ross), always on.

Sustain: 38, VOL: 58.

Smooth, even sustain.

DST -- off. No grit.

AMP/CAB -- NAM SnapTone, slot 51: CleanB15 (always on)

- Built from the `Ampeg B18 - Head DI - Bass Chan - Vol 2.5 (B-18N)` NAM and the Apg115 IR, combined into one snaptone.
- Real Ampeg B-18N fliptop (the B-15 preamp circuit), captured clean at volume 2.5, into the Apg115 B-15 cab IR.
- Ballad bass: sustained roots under the vocal. The clean B-15 keeps it warm and out of the way.
- Gain: 48, VOL: 80, Bass: 58, Middle: 50, Treble: 44
- Gain 48: a little under default. This part wants less push than the other CleanB15 patches.
- Bass 58: more low end.
- Middle 50: flat.
- Treble 44: top end pulled back noticeably.
- VOL 80: the level Michael set for this snaptone in the 2026-10-02 VOL audit. Trim here if the patch jumps in level against your others.
- Same in both CTL states. AMP and CAB are off in the `.prst`, so nothing stacks on the capture. The N->S block calls slot 51 directly.

EQ -- Bass EQ 2, always on.

50Hz: +1, 120Hz: +2, 400Hz: -1, 800Hz: +1, 4.5kHz: -3, VOL: 52.

Warm lows. 800Hz so moving lines read. The top is trimmed.

MOD -- off.

DLY -- off.

RVB -- Plate, on CTL.

Mix: 18, Decay: 42, Damp: 55, Trail: on.

A smooth plate for the choruses. Damp 55 keeps the tail dark.

CTL footswitch

On CTL: RVB (Plate).

- **CTL off** -- Verses. Close and warm. This is the resting state the patch loads into.
- **CTL on** -- Choruses. The plate blooms the bass into the big ballad chorus.

Engage at the choruses. Off for the verses.
