

If You See Her (Rhythm Guitar) -- Brooks & Dunn

"If You See Him/If You See Her" (1998). It's a duet with Reba McEntire, and the title track of Brooks & Dunn's *If You See Her*. About 70 BPM, est.

A late-90s Nashville power ballad. Polished, with clean electric arpeggios and a big lift in the choruses.

Built from the song's overall sound. I haven't verified the exact guitars and amps on the record.

Instrument: Stratocaster (HSS). Position 4 (neck+middle) for the arpeggios. Neck or bridge for the lead.

GP-5 only, Stratocaster (HSS), no pedalboard.

AMP: J-120 CL (Jazz Chorus) + CAB: EVM112 IR (User IR 5)

A solid-state Jazz Chorus clean is pristine and hi-fi. That's the polished late-90s Nashville ballad clean, and it pairs naturally with a light chorus.

EVM112 is the loaded guitar cab with a flat, hi-fi response. It keeps Nashville clean tones honest and doesn't add V30 honk.

Module chain

NR -- Gate, always on.

THRE: 12.

Low. Arpeggios need to ring.

PRE -- COMP (Ross), always on.

Sustain: 32, VOL: 55.

Light leveling so the arpeggios stay even.

DST -- Green OD (TS-808), on CTL.

Gain: 30, Tone: 55, VOL: 70.

The lead push. Gain 30 into a solid-state clean gives a smooth, polished lead. VOL 70 lifts it over the vocal.

AMP -- J-120 CL, always on.

VOL: 60, Bass: 46, Middle: 50, Treble: 55, Bright: off.

Pristine clean. Bright off, since the chorus and 3kHz lift give enough sparkle.

CAB -- User IR 5 (EVM112), always on.

VOL: 60.

EQ -- Guitar EQ 2, always on.

100Hz: -3, 500Hz: 0, 1kHz: 0, 3kHz: +1, 6kHz: -1, VOL: 50.

Low cut for clarity. A small presence lift.

MOD -- A-Chorus, always on.

Depth: 18, Rate: 0.6, Tone: 50.

Light-hand chorus, per the house rule: Depth 18, 0.6Hz. Just a polished sheen under the arpeggios.

DLY -- Analog, on CTL.

Mix: 18, Time: 430ms, F.Back: 22, Trail: on.

About an eighth note at 70 BPM. Soft repeats behind the fills.

RVB -- Hall, always on.

Mix: 20, Decay: 45, Trail: on.

A polished hall. Mix 20.

CTL footswitch

On CTL: DST (Green OD), DLY (Analog).

- **CTL off** -- Rhythm. Pristine, lightly chorused clean arpeggios with hall. This is the resting state the patch loads into.
- **CTL on** -- Lead. A smooth Green OD push plus analog repeats for the fills and the solo.

Engage CTL for the fills between Ronnie's and Reba's lines, and for the solo.
