

Only in America (Rhythm Guitar) -- Brooks & Dunn

From *Steers & Stripes* (2001). About 120 BPM, est.

An arena anthem. It's closer to heartland rock than honky-tonk, with big open-chord crunch and a soaring chorus.

Built from the song's overall sound. I haven't verified the exact guitars and amps on the record.

Instrument: Stratocaster (HSS). Bridge humbucker for the crunch rhythm and the lead.

GP-5 only, Stratocaster (HSS), no pedalboard.

AMP: UK 45 (JTM45) + CAB: V30112 IR (User IR 10)

A JTM45 at medium gain is a big, open crunch that stays clear on ringing open chords. It has less compression than an 800.

V30112 is the loaded guitar cab with enough upper-mid bark for a crunch tone. EVM112 would thin out once the amp breaks up.

Module chain

NR -- Gate, always on.

THRE: 28.

The JTM45 at gain 48 hisses between chords. 28 stops that without cutting ringing chords short.

PRE -- Boost (EP Booster), on CTL.

Gain: 45, +3dB: on, Bright: off.

Pushes the JTM45 into lead saturation and adds level for the solo.

DST -- off. No pedal drive. The amp handles the crunch.

AMP -- UK 45, always on.

Gain: 48, PRES: 55, VOL: 60, Bass: 50, Middle: 58, Treble: 56.

Gain 48 is open-chord crunch. Middle 58 keeps it in the mix against the steel and fiddle.

CAB -- User IR 10 (V30112), always on.

VOL: 60.

EQ -- Guitar EQ 2, always on.

100Hz: -3, 500Hz: 0, 1kHz: +1, 3kHz: +1, 6kHz: -2, VOL: 50.

Low cut tightens the chords. A slight mid-presence lift. The top is trimmed.

MOD -- off.

DLY -- Analog, on CTL.

Mix: 15, Time: 375ms, F.Back: 22, Trail: on.

An eighth note at 120 BPM. It thickens the solo.

RVB -- Hall, always on.

Mix: 14, Decay: 35, Trail: on.

A small hall for an arena-sized sense of space. Mix 14 keeps the rhythm tight.

CTL footswitch

On CTL: PRE (Boost), DLY (Analog).

- **CTL off** -- Rhythm. JTM45 crunch for the verses and the big chorus chords. This is the resting state the patch loads into.

- **CTL on** -- Lead. Boosted JTM45 plus analog repeats for the solo and the melodic fills.

Engage CTL for the solo. Stay off for the chord work.
