

Found (The Unexpected Flaw of Searching) (Rhythm Guitar) -- Riverside

Riverside, from Love, Fear and the Time Machine. BPM est. Open, art-rock rhythm guitar: clean, chorused arpeggios and chords for the verses, thicker crunch for the choruses. Built from the band's general sound; the exact rig on the recording is not verified.

Instrument: Stratocaster (HSS). Use the neck or middle pickup for verses, bridge pickup for choruses.

GP-5 only, Stratocaster (HSS), no pedalboard.

AMP: Dark Twin + CAB: EVM112 IR (User IR 5)

EVM112 (Electro-Voice EVM12L) -- open and full-range. Keeps clean arpeggios clear and lets the chorus sit on top.

Module chain

NR -- Gate, always on.

THRE: 12.

Clean tone. 12 is enough for single-coil hum in the rests.

PRE -- COMP, always on.

Sustain: 30, VOL: 55.

Light leveling for even arpeggios.

DST -- Green OD, on CTL.

Gain: 25, Tone: 50, VOL: 62.

On CTL. Mild crunch for the chorus. Gain 25 stays open and does not fill up the space.

AMP -- Dark Twin, always on.

Gain: 30, VOL: 60, Bass: 50, Middle: 50, Treble: 45, Bright: off.

Twin Reverb, clean with a lot of headroom. Gain 30 takes the edge off. Bright off keeps the Strat from getting harsh.

CAB -- User IR 5 (EVM112), always on.

VOL: 60.

EVM112 IR.

EQ -- Guitar EQ 2, always on.

100Hz: -2, 500Hz: -1, 1kHz: 0, 3kHz: +1, 6kHz: +1, VOL: 50.

Low cut leaves room for the bass. Small lift at 3kHz and 6kHz for chime.

MOD -- A-Chorus, always on.

Depth: 20, Rate: 0.6, Tone: 50.

Light hand. Depth 20 and a slow 0.6Hz rate add width to the arpeggios without seasick movement.

DLY -- off. No delay. Keeps the rhythm clean and rhythmic.

RVB -- Hall, on CTL.

Mix: 15, Decay: 40, Trail: off.

On CTL. Opens the chorus. Mix 15 gives lift without washing out chords.

CTL footswitch

On CTL: DST (Green OD), RVB (Hall).

- **CTL off** -- Verse rhythm. Clean, lightly chorused, close to dry. Arpeggios and open chords. This is the resting state the patch loads into.
- **CTL on** -- Chorus rhythm. Green OD adds a mild crunch and a hall reverb opens the space.

Engage CTL for the chorus. Back off for the verse.
